By: Sharon Douglas

I hope this finds you all well and looking forward to fall leaves and everything pumpkin.

**October Luncheon information: After speaking to the management at Granite Gate, they are unable to accommodate us for the foreseeable future. They are concerned with the uptick in COVID cases and just like everywhere else, they are having staffing issues.

Fortunately, I think we have a good option with Goods from the Garden. We will be having our luncheon there on Friday 08 Oct. (The Kiwanis Club uses the venue on Thursdays, so we will need to move our usual Thurs. to a Friday.)

**I will need to have a hard head count by 24 Sept. along with your meal choice.

[continued on page 3]

NACMOAA is back. We will have an "In Person" lunch October 08 at Goods From the Garden. RSVP to Sharon Douglas at 928-632-5939 by Sept. 24th.

"Join with your fellow Officers and continue to make a difference!"

MOHAVE SATELLITE CHAPTER UPDATE

Over the years, the Mohave Chapter has been a robust group of members serving the Mohave County veterans community. Under the direction of President Jerry Hietpas and Bob Roberts (who organized the Satellite), they have raised funds for and presented scholarships to both veterans and JROTC Cadets as well as participating in the Mohave County Stand Down and other local events benefitting veterans and surviving spouses.

Unfortunately, the last year or so has seen some changes to the chapter. Membership numbers are down along with attendance at meetings and events. Due partly to seasonal members, driving distance to meetings, members moving out of state, COVID-19 precautions and the health of some of the key members of the chapter.

With all of this in mind the host chapter NAC, has made some decisions regarding the future of the Mohave Chapter.

1. Future Mohave Chapter meetings have been cancelled.
2. Current plans for the Mohave Satellite Chapter to be dissolved at the end of 2021.

It is the hope of the host chapter that the Mohave members will continue to be a part of our organization. We have extended an invitation to join us for in person luncheons, events and Zoom meetings.

Thank you to the Mohave board for all of their hard work and dedication.

President — LtCol Jerry Hietpas.
1st Vice President & Surviving Spouse Rep. — Charlene (Char) Eastman.
Vice President for Programs — CPT Joan McDermott.
Secretary & Past President — Maj Bob Roberts

A special thank you to Char Eastman. She has worked tirelessly to assist the surviving spouses in the chapter. Her efforts have resulted in resolution of benefit claims. She has been the source of information for help and has personally visited members. I know how much your time and efforts meant to those you reached out to.

Most importantly, a big thank you to all of the members who have supported this chapter and MOAA over the years. We appreciate your financial support and most importantly, the time you invested in making the lives of our veterans better.

Wishing you all the best.

Sharon Douglas

From the President: [cont. from page 1]

Please choose from one of the two options below:

Option 1: Chicken Florentine, Rice Pilaf, Haricot Vert Green Beans, Dessert.

Option 2: Meatloaf, Mashed Potatoes & Gravy, Haricot Vert Green Beans, Dessert.

Haricot Vert: French green beans, which are thinner, sweeter and more tender than most American varieties.

Please send your choices to me via email @ Sharon.douglas.NACMOAA@gmail.com or Snail mail @ P.O. Box 95, Dewey, AZ 86327 or Call me at 928-632-5939 or on Groupworks.

** Increase to Luncheon Prices: It has never been the intent of NAC to make any profit from the fee charged for our lunches. We only strive to break even covering the costs of meals to our members, Honor Guard and Guest Speakers. For the past many years, we have been able to do that by charging the $25.00 price. I'm sure you have experienced the increase in food prices and services in the past 18 months or so. In an effort to try to break even, I asked the board to consider a $5.00 increase to our lunch prices. This was unanimously approved at the 02 Sept. meeting. Therefore, beginning with our 08 Oct. lunch the meal price will be $30.00 per person. If you have any questions or concerns regarding the increase, please contact me for more information.

Our Guest Speaker will be Captain Charles Ruddek, a Professor of Aerospace Studies at ERAU. Capt. Ruddek is a 23 year USAF veteran. For a complete bio: https://prescott.erau.edu/rotc/air-force/cadre/charles-ruddek or see page 9.

The City of Prescott is holding the annual Veterans Day Parade on 11 Nov. This falls on Thursday this year. I have already sent in our application. If you would like to participate please let me know. As we have in past years we will be decorating vehicles in patriotic bunting and displaying the MOAA banners. **The theme this year is "The Greatest Generation".**

Honor Flight update: Due to the ongoing COVID-19 environment and the lack of available space on commercial airlines (who donate transportation), the program is on hold until at least spring of 2022. NAC continues to collect funds to send a veteran who would like to make this incredible journey. If you have any ideas, please contact Dick Jonas or myself. Honor Flight is now open to veterans who served during, WWII, Korea and Vietnam.

Just a reminder, the Yavapai County Veterans Stand Down is 17-18 Sept. Contact Clyde Meade for volunteer information.

The new and upgraded NACMOAA Website has already received over 1600 hits. Hopefully this will bring new members to our chapter in the future. If you haven't yet, check it out and let us know what you think. Dick Jonas is our in house webmaster.

Our remaining lunch date for 2021 will be: November 12th.

You can also share wishes for prayer or spiritual questions with our Chaplain, Peter Jensen, at (323) 928-9918.

Membership Corner: Please forward any Membership Changes and/or Updates to Dick Jonas at <az04nac@erosonic.com> or call him at (928)636-2259. Dick has the responsibility of maintaining our membership roster, so inputs help to keep it current.

If you are in need of a NACMOAA nametag, Dick is the man to contact. The name tags cost $6.00 each. There is no shipping fee if you pick up your nametag at one of our meetings.

Membership Updates:

Membership is still at 74, 60 at NAC and 14 at our Mohave Satellite. Aux members (spouses of Regular members) are holding steady at 19. The prospect lists from National have fallen off somewhat. They are now numbering 2 – 3 per month. That's down from a high of 8 in March. However, we have recruited two Regular members from the prospect list, so that's good news. I'd like to encourage our Chapter members to continue your word-of-mouth recruiting efforts. If you have friends, neighbors, or other acquaintances who are qualified for MOAA membership please put them in touch with me. My phone number is 928-636-2259, email is az04nac@erosonic.com.

Public Information Officer (PIO)

We are keeping our website current. On the Legislative page you'll find instructions on Take Action items from National. These are provided by Col George Weil, our Legislative Affairs chairman. Each new *Outback* newsletter goes up as Page 2 at the site. Thanks to Mary Jonas, *Outback* editor. You will find up-to-date activities in two places, on the Announcements Page, and the most current note on the Home Page. We have recently added a "Hit Counter" at the very bottom of the Home Page. This tracks the number of those who have visited the web page. We're up to 1641 hits since it went up a couple of weeks ago. Go to https://nacmoaa.org to review the site.

From the President: [cont. from page 3]

Please remember to send me your RSVP and meal choice before 24 Sept. I look forward to seeing you all at "Goods from the Garden" on 08 October @1100.

All the best,
Sharon Douglas, Surviving Spouse

Arizona Makes a Clean Sweep at the MOAA Awards for 2021

As previously announced, the Arizona Council and all 9 chapters received a 5 Star rating in the Level of Excellence Award. Last week MOAA announced the winners of the two national Excellence Awards. Both winners were from Arizona Chapters.

Col. Steve Strobridge Legislative Award This annual award recognizes an affiliate Legislative Chair or Liaison who has demonstrated superior service to their council/chapter and national MOAA in support of national and/or state legislation which affects servicemembers, veterans, retirees and their families. This year's winner is LtCol Lee F. Lange, USMC (Ret) Legislative Chair/Liaison: Arizona Council of Chapters and Arizona Chapter.

Surviving Spouse Liaison Excellence Award This is awarded to a surviving spouse liaison who is a member of MOAA and who has made outstanding contributions in one or more of the following Surviving Spouse Advisory Committee (SSAC) mission goals: Educate, Encourage and Engage. This year's winner is Mrs. Sharon Douglas Surviving Spouse, Surviving Spouse Liaison Arizona Council of Chapters and NAC President.

Please join me in congratulating both Lee and Sharon for their well-deserved recognition. Peter Kloeber, Col, USAF, Ret. President, AZ CoC

September 02, 2021 Meeting Minutes; Submitted by Col George E. Weil, Secretary
Agenda Items Discussed:

1) Mohave Satellite Update: LtCol Hietpas is dealing with health issues. Mohave leadership health issues will be driving the apparent closure of the satellite. President Douglas has sent a letter to all the Mohave members explaining the situation. Mohave records and files will be shipped to us.

2) Granite Gate Update: They are having staffing issues for their own building. Very doubtful they can cater our lunches.

3) NACMOAA Lunch Update: "Goods from the Garden" restaurant is the vendor of choice for now. Increasing the lunch price was discussed. The overhead cost drives the increase. This event is not structured to be a money maker. Some overhead fees are Server Fee, Room Fee and possible tip eats up any possible margins. It was agreed that a $30.00 lunch charge for now is adequate.

4) LOE Awards Update: Arizona was a clean sweep for the LOE awards. All 9 chapters and the Council received 5 stars. Included were the 2 National Awards garnered for the Legislative Liaison and Surviving Spouse.

5) Veterans Stand Down Update: Sharon and Clyde attended the last meeting. Clyde will be doing a walk through at U.S. Vets. Locations will be at 1040 Whipple St., Prescott.

6) Veteran's Day Parade Update: President has sent in the application to participate. The theme this year is "The Greatest Generation."

Our Guest Speaker for the 8 Oct luncheon is Capt Charles Ruddek, XO, USAF ROTC at ERAU. A 23-yr veteran of varied Intelligence billets he is going to talk about his latest experiences. Commander Directed Energy Weapons Directorate is just one of a few state of the art experiences he can brief us on. Also, at the unclassified but interesting level, he can tell us about the intelligence gathering and dissemination in Afghanistan. Come join us for a good lunch and interesting speaker.

Captain Charles L. Ruddek is a Professor of Aerospace Studies at Embry-Riddle Aeronautical University, Prescott, Arizona.

Captain Ruddek received his commission from Officer Training School in 2014. Immediately afterwards, he attended Intelligence Officer training at Goodfellow AFB, TX. As an Intelligence Officer, Capt Ruddek's first assignment was to Scott Air Force Base in support of AMC/A2. At AMC, Capt Ruddek initially worked as a CENTCOM Geopolitical Analyst, then as a member of the Threat Working Group. In this role, he facilitated Intelligence assessments informing global AMC operations.

Next, he became the Chief of Strategy and Policy, where he managed long-term threat mitigation for the C-5 Galaxy, KC-10 Extender, C-17 Globemaster III, C-130 Hercules, C-130J Super Hercules, KC-135 Stratotanker, C-20, C-21, C-32, C-37, and C-40, affecting nearly 49,000 active-duty military and civilians, 42,000 Air Reserve Component military and 35,000 Air National Guard members.

Afterwards, Captain Ruddek moved to Wright-Patterson AFB, where he spent a year as an Intelligence Advisor for the Air Force Research Laboratory – and was the acting Wing Senior Intelligence Officer at the 711th Human Performance Wing for six months. In this role, he served as ISR focal point for 3 US installations, providing guidance and industrial security oversight for 2,000 military/civilian personnel and a $250M research and development portfolio.

Next, Captain Ruddek became the Commander of the Directed Energy Weapons Flight at the National Air and Space Intelligence Center, where he supervised 30 personnel (a mixed DoD workforce) to create national-level intelligence assessments broadcast to 854K members of DoD intelligence community. In this role, he chaired 3 Continuous Process Improvement Events and facilitated Agile Development strategy to seamlessly incorporate groundbreaking data-science principles into the existing production workflow, successfully executing the largest change to the mission in 30 years.

SURVIVING SPOUSE IMPORTANT INFORMATION:

Portman, Warren, Introduce Military Retiree Survivor Comfort Act to Support Military Families

WASHINGTON, DC – U.S. Senators Rob Portman (R-OH) and Elizabeth Warren (D-MA) introduced the *Military Retiree Survivor Comfort Act* to amend Title 10 of the U.S. Code to prohibit the Defense Finance and Accounting Services (DFAS) from clawing back any Department of Defense (DoD) retirement benefit overpayments received in the month when the veteran was alive for at least 24 hours. Senators Bob Menendez (D-NJ), Kevin Cramer (R-ND), and John Boozman (R-AR) are cosponsors of the bill. Congressmen John Garamendi (D-CA) and Michael Turner (R-OH) have introduced a companion bill in the U.S. House of Representatives.

DoD retirement benefits are deposited electronically into the bank accounts of military retirees at the beginning of the month. When a veteran / DoD retirement beneficiary dies, DFAS can immediately take back retirement benefit overpayments. Survivors who jointly own bank accounts with the veteran are often unaware of this insensitive practice, which results in financial hardship and overdraft fees while they are still mourning the veteran's death.

Too many surviving spouses are financially caught off guard when their servicemember passes," **said Lt. Gen. Dana T. Atkins, president and CEO of MOAA**. *"DFAS recoupment of the last pay check can empty a banking account for a grieving survivor. MOAA strongly supports Senators Portman and Warren's introduction of the Military Survivor Comfort Act that will ease the financial burden with a gradual repayment and option to appeal for debt forgiveness."*

Please contact your lawmakers and let them know you support this bill. Ask them to become a co-sponsor.
