By: Sharon Douglas

I hope everyone is having a good summer. The monsoon showed up just about on time this year. I have had a little over 2.5 inches of rain so far. I'm hoping it saves a few of my juniper trees.

After nearly two years as our Treasurer, Heather Weil has requested to step away from the position. I know you all join me in thanking her for all the time and hard work she put into this position.

Dick Jonas has agreed to fill this staff position. He is currently working on putting all of the NAC financial information on Excel. Dick, thank you for accepting the position.

On 10 July I received an email from George Weil resigning from the Secretary position immediately. I would like to thank George for all of his years of hard work and dedication to this position. I appreciate his insight and the experience he brought to the NAC Executive Staff.

Roberta Rice has graciously accepted the staff position of Secretary. I want to thank Roberta for stepping up and joining the staff. Welcome aboard.

If you are interested in joining the NAC Executive Staff, the following positions are or will soon be available:Membership Chair, and Legsislative Affairs Liaison. Please contact me for more information concerning these positions.

In an effort to get to know our members better and recognize their military service, we have inplimented a couple of programs. You may have noticed an article in the newsletter called a “Salute To Sevice”. There is a biography and photo of the veteran. We have had several “Mystery Member” information boards displayed at our luncheons. Photos of the veteran are displayed and clues to their identity are given throughout the luncheon. Members try to guess who our mystery veteran is.
If you would like to be featured in eihter one of these projects, please contact me..

Planning sessions are taking place each month for the 2022 Prescott Stand Down on 16-17 Sept. US Vets will be hosting the event at their facility. They are looking for volunteers for several positions. NAC will once again be in charge of the registation process.

Please let me know if you are available and would like to join us. There is a volunteer form to fill out prior to the event. I will have some blank copies at the 03 Aug luncheon.

US Vets will be accepting *winter gear* and undergarments for the *Sunday Undies* event at the Stand Down. If you have donations, contact US Vets for drop off instructions.

Some sad news for those of you who know CAPT Erin Stone. She is the Senior Director of MOAA Council and Chapters. Her son, Braydon was killed in a motorcycle accident on 26 June. A card was sent from our chapter to the family. More information can be found at: Cunninghamfuneralhome.net/obituary

*Update on covid-19 restrictions at Granite Gate Senior Living Center. At this time the requirement to be vaccinated has been lifted. The management does want to remind everyone that you are accepting the risk to enter the facility without the precaution of vaccination. You will still need to wear a mask when entering the facility and in all of the common areas. Once you get up to the dining room, masks are no longer required.

Our next luncheon will be on Wed 03 Aug. The theme will be Patriotic Pride and Military Appreciation. I think this is a fitting theme considering our guest speaker will be John Moffet, the Assistant State Captain for the Arizona Patriot Guard Riders.

We will be treated to a ride by of 5-6 of the Patriot Guard on their motorcycles, flying the colors and military flags. This will be much like the Memorial Day mini parade NAC put on for the residence of Granite Gate back during the quarantine days. The residents will be notified ahead of time and be able to view the ride by from their balconies.

*****IMPORTANT INFORMATION ABOUT TIME OF THE RIDE BY:**
The ride by will take place at 1115. Please plan to be there around 1100. You can either watch from the parking lot or watch from the shade by the front door of the entrance to the lobby.

For those of you that are not framilliar with the PGR, they are a 100% volunteer, 501 © (3) organization. Their primary mission is to provide Honor and Memorial Missions. At the families request, the Arizona PGR show dignity and respect at memorial and funeral services to those killed in action, active duty fallen military heros, first responders, law enforcement officers and honorably discharged veterans. I asked the PGR to be present at my husband's memorial. They met us at the hotel, did a briefing, organized the vehicles in the procession for the drive to the Arizona National Memorial in Cave Creek. There were over 30 riders. All the motorcycles had American and Military flags flying. They stopped traffic at all of the intersections along the way. Once at the cemetary, they had us form a circle and join hands as they read my husband's military history. They lead us in a prayer and lead a sing along to a recording of Lee Greenwood's "God Bless the USA". Next they escorted us to the memorial ramada and stood watch over the service. At the conclusion, they presented me with a Mission Accomplishment Pin.

I can't thank Arizona PGR enough for respect and security they provided for my husband's final journey and memorial service.

The Arizona Patriot Guard Riders are all volunteers and depend on donations to accomplish their missions. Please visit their website at https://azpgr.org for more information and donation opportunities.

We had a good turnout this month at the NAC Ladies lunch. We had 6 members join us at Augies for good food and conversation. It's a great way to get to know your fellow chapter members. We would love to have you join us at the next scheduled lunch Friday 09 Sept. More information can be found in this newsletter under the "Ladies of NACMOAA" banner.

I look forward to seeing everyone on 03 August. Thank you for taking the time to read our newsletter.If there is anything you would like to see us cover or add to the Outback, please let me or Roberta Rice know.

All the best,
Sharon

1. **Agenda Items Discussed:**
   a. **President Recap Information**:
      1) **Position Resignations** – Heather Weil resigned recently from the position of Treasurer; Dick Jonas has agreed to serve in this position. Sharon Douglas, Heather and Dick recently met several times to transition the duties of the position. The pertinent aspects necessary to meet the informal audit requirement were executed. The board concurs on Dick Jonas filling this board slot.
         a. Dick is moving the treasurers accounting to Excel for ease of facilitating gand sharing the monetary actions and information.
      2) Additionally, Sharon received a resignation from George Weil effective July 10th from the Secretary position.
      3) **The Nominating Committee** will address vacancies in their recruitment actions for the end of the year.
      4) Sharon noted that proposed **By-Law changes** were forwarded to Board members recently. Those suggestions can now by reviewed with a target goal of distributing approved changes to the general membership by September 1. This will meet the 30 day requirement to allow for voting at the October luncheon meeting.
      5) Sharon stated that she has been advised the **Level of Excellence (LOE)** awards structure is being changed to include a third category – so there will be a 3, 4 and 5 star level. Additionally, there is only a six-month window –1 July to 31 Dec to submit community activities for qualification for the LOE.
      6) There is an **Upcoming Yavapai County Stand Down** to be held 16-17 September at the US Vets. Sharon and Alex have been attending monthly meetings and the post Covid event has concentrated on more organization. NACMOAA handles registration duties for both days. US Vets are collecting winter clothes and undies.
      7) **August Lunch Update**. The guest speaker at the 3 Aug Luncheon will be John Moffitt, head of Patriot Guard Riders. There will be a ride by in the parking lot of Granite Gate at 11:15 am. Masks are still required in the common areas but not in the dining room.
      8) **Be Connected Request:** Sharon was contacted to provide monetary support to a Navy Vet who has experienced recent hardships. Discussion among the board resulted in a decision not to provide monetary funds from NACMOAA.

(Continued on Page 8)

(Continued from page 7)

9) **Honor Flight:** The Chapter has raised the necessary funds to send a member and a chaperone on an upcoming flight (3 left this year). Wade Rutt has expressed interest and Sharon will notify him that he has been selected. He can choose his own chaperone or there may be other members who are willing to accompany him.

b. **Round table**

1) **Color Guard:** Alex advised there will be no color guard available at the August luncheon due to school being on vacation.

2) **Treasurer Update**: Dick reviewed the Treasurer's Report. There is a total of $ 10,141.67; the General Fund contains $2580.10. The scholarship fund will receive 100% of the 50/50 funds moving forward.

3) **Membership Report**: Dick advised that there are currently 56 regular and SSP members with 14 auxiliary members. The Master Roster has been updated and a current directory was sent out in June. He has not received any real time listings for potential new members in this area. Additionally, the information regarding meetings is posted in both the Daily Courier and Coffee Talk.

4) Web Site: Dick noted there may need to be some additional training to facilitate/enhance the web site and there may be a cost associated with this training. Discussion ensued regarding limiting SPAM emails from the Web site. Dick will contact National to ask for guidance in how they handle that issue.

5) **NACMOAA Ladies Lunch Reminder:** is scheduled on the odd numbered months. Mary Jonas advised the six attendees to the July lunch concurred on moving the November luncheon to 18 Nov to avoid Veterans Day conflicts.

6) Legislation Passed: Sharon advised the Mammogram Act Passed and was signed by the President on 7 June.

2. Adjournment: There being no further business to be brought before the Board the Chapter President adjourned the meeting. Next ZOOM NACMOAA Board meeting is tentatively scheduled for 10:00 am 1 September 2022.

Respectfully Submitted,
Roberta B Rice

SURVIVING SPOUSE SPOTLIGHT July 2022

Submitted by Sharon Douglas

A few words from Kathy Soliozy Prout. Kathy received the MOAA Award for Outstanding Service in 2020 for her work on repealing the "Widow's Tax". She is currently a contributor to several websites for Surviving Spouses including DIC Surviving Spouses & Friends and MOAA Surviving Spouses & Friends. She is also active with the virtual chapter.

The following information was shared on 08 June 2022

Each year, legislators use the must-pass National Defense Authorization Act (NDAA) as a vehicle for smaller defense-related legislation to become law. MOAA has supported three survivor-related bills this session which make perfect candidates for NDAA inclusion, and which would make significant improvements to the lives of this important part of our wider uniformed services community.

As the FY 2023 is drafted and marked up, reach out to your elected officials and ask them to support these important bills, either via the links below or by using MOAA's toll-free line to the U.S. Capitol switchboard – 866-272-MOAA (6622) – to connect with your legislators' offices.

Supporting Families of the Fallen Act

Bill numbers: H.R. 3793 | S. 2794

Status as of June 7: 14 House co-sponsors; passed the Senate on March 23.

Legislative Action Center link: Ask Your Lawmakers to Co-Sponsor the Supporting **Families of the Fallen Act**

The Servicemembers' Group Life Insurance (SGLI) and Veterans' Group Life Insurance (VGLI) programs provide a maximum coverage of $400,000, a figure which has not been updated since 2005. With current inflation and the cumulative effect of 17 years without an update, it is time for SGLI and VGLI to catch up: The Supporting Families of the Fallen Act will increase this important coverage to $500,000.

Military Retiree Survivor Comfort Act

Bill numbers: H.R. 2214 | S. 1669

Status as of June 7: 42 House co-sponsors, 7 Senate co-sponsors.

Legislative Action Center link: Ask Your Lawmakers to Support the Military Retiree **Survivor Comfort Act**

When a retired service member passes, the Defense Finance and Accounting Service recoups their last month of retirement pay. This is frequently a terrible surprise for a new survivor and adds unnecessary financial stress to a grieving widow. The Military Retiree Survivor Comfort Act would allow survivors to avoid this immediate recoupment (and prevent surprise overdraft fees) and instead gradually repay the amount over the next 12 months or request debt forgiveness.

Caring for Survivors Act

Bill numbers: H.R. 3402 | S. 976

Status as of June 7: 64 House co-sponsors, 12 Senate co-sponsors

(Continued on page 11)

(Continued from page 10)

Legislative Action Center link: Act Now to Improve Survivors' Benefits
This important legislation would raise Dependency and Indemnity Compensation (DIC) to the same levels as other federal survivor programs. It would boost DIC to 55% of the compensation of a 100% disabled veteran, up from the current 43%; correcting this injustice is long overdue.

The bill would also reform the so-called "10-year rule," which prohibits survivors from receiving DIC benefits if a 100% disabled service member dies of a non-service connected injury less than 10 years after receiving that disability rating. This bill would allow beneficiaries to receive a portion of DIC beginning at five years, with that amount gradually rising until reaching full compensation at the 10-year mark.
