By: Sharon Douglas

It looks like we are closing in on the end of monsoon 2022. It has been a pretty wet year here in the Dewey area. Over 14.5 inches of rain at my house. These are the tough "dog days" with humidity and LOTS of flying things that bite. Thank goodness fall weather and football are right around the corner.

I met with the staff at Granite Gate yesterday and planned the October Luncheon. Clarissa has a wonderful Italian menu outlined. Prior to lunch and starting at 1100 there will be an appetizer table with a charcuterie board and Italian wines. There will also be non-alcoholic beverages. Please plan to come a little early around 1100 to enjoy some tasty snacks and socialize with our chapter members.

The theme and room decorations for the luncheon with be Fall/Halloween. Feel free to wear something to celebrate the theme.

Guest Speaker for October Luncheon

People Who Care
Assisting our neighbors to live independently

People Who Care is a nonprofit organization that provides transportation and other non-medical services at no charge to Neighbors in our Quad-cities who are no longer able to drive or need other occasional assistance.

People Who Care Volunteers escort our Neighbors on errands and appointments. It's not just transportation, but could also be friendly visits, minor household repairs, personal paperwork assistance, and most importantly: build meaningful connections that reduce loneliness and isolation allowing our senior Neighbors to safely live in their homes.

The Guest Speaker at our luncheon will be Barry DeKemper, Development Director, for People Who Care. He's going to talk about the many ways we can help our Neighbors and customize the hours and types of assistance volunteers can provide. If you have the willingness to help, he'll find a place for you.

PLEASE Plan to Join the "Getting to Know You" Portion of our meeting:
Charcuterie Boards, Wine and Non Alcoholic Beverages Available at 11 am
Autumn or Halloween Themed Outfits Encouraged

PUBLIC INFORMATION OFFICER CORNER: REQUESTING ASSISTANCE

Dick Jonas is the Chapter's PIO. The most important function of the PIO is to let our community know who we are and keep them informed about what MOAA does for veterans and how they can help. The PIO works with local newspapers, and keeps our website up to date and looking spiffy. Oh, no, you do NOT have to know how to do all that magic which keeps a website cooking on the internet. But you do need to be creative and able to communicate with anyone who may surf across our site. The tech stuff is handled by Bryan Earl, our real webmeister. He can even teach you some of the easy stuff. For example, the present PIO learned how to post up our bimonthly newsletter. Dick needs some help here, too. Please contact him if you'd be willing to help.

We will be holding a vote on the proposed revisions to the Chapter Bylaws at the luncheon. You should have received a copy via email to review. If you did not, receive a copy, please contact me. Many of you have already sent me your votes, and I thank you.

In this issue you will find a *Salute to Service* article featuring our new Legislative Affairs Liaison, Steve Woods. We wanted to highlight Steve's military career and introduce you to both Steve and his wife Kara. I extend my thanks to Steve for accepting this staff position with NAC.

The 21st anniversary of the Sept. 11th terrorist attacks is commemorated this month. This is the 11th year that Prescott Valley has hosted the Healing Fields Project. They will have a flag display commemorating the estimated 2977 lives lost. The display will run from 09-17 Sept at the Civic Center Lawn. For more information or to volunteer go to healingfieldpv.com or call 928-759-3123 .

The Annual Prescott Veterans Day Parade will be held on Friday 11 November at the courthouse square. The theme this year: ***"Vietnam Veterans. To Those That Served and the 58,479 That Never Returned. Remember and Respect".*** NAC has once again signed up to have an entry in the parade. We will have vehicles decorated in patriotic bunting, American, Military and MOAA flags. If you would like to join us and drive in the parade, please let me know. It would be great for NAC to have a strong show of support for our local veterans.

Here is a TSA Update regarding acceptable ID for travel and military ID card impact. Good news for military personnel with new Common Access Cards, as well as retirees and military family members who received the Defense Department's next-generation identification card during the past two years: The IDs now work at Transportation Security Administration security checkpoints at all U.S. airports.

For the past two years, those with the new cards have needed to produce an alternate form of identification at many airports, since the IDs barcodes were incompatible with the TSA's scanning system. May 3, 2021 was the deadline for everyone who flies domestically in the U.S. or visits a government facility. As of that date, travelers and visitors will need to have a REAL ID card from their state or a DOD ID card which is acceptable as a REAL ID. A REAL ID meets minimum security standards for identification and production, according to the Department of Homeland Security. This information was supplied by Military.com

Thank you for taking the time to read this edition of The Outback. As always, if you have any suggestions or questions, please contact me or our Editor, Roberta Rice. I look forward to seeing everyone on 05 Oct. Don't forget to send me your ***RSVP by 25 Sept***. You are welcome to pay at the door, but please RSVP so I am able to give an accurate headcount. It is helpful to send regrets if you are unable to attend.

All the best,
Sharon

Our final lunch date for 2022 will be: November 18th - to avoid Veteran's Day activities around Prescott.

These dates are all the 2nd Friday of odd numbered months except November which will be the 3rd Friday due to the change.

You can also share wishes for prayer or spiritual questions with our Chaplain, Peter Jensen, at (323) 928-9918.

Membership Corner:

The Chapter's Membership Chair is LtCol Dick Jonas. When you have changes in phone numbers, email addresses, or postal addresses, please share them with him so that he can keep the membership roster current. His email is az04nac@erosonic.com; his phone number in Chino Valley is 928--636-2259.

If you need a MOAA nametag, Dick is the man to see. They cost about $6 each and requires about a 2-week turnaround time.

Dick has recently picked up some other additional duties for the Chapter and needs some help. He has been Membership Chair for 12 years, and is looking for that proverbial "new broom" you know, the one which sweeps clean. It's time for some new ideas in the Membership and recruiting biz. So, if you're willing to step up to the plate, give him a call, or send him an email

Legislative Affairs Update

Submitted by Steve Woods , Legislative Affairs Officer

- **FIRST ADVOCACY ITEM: What's Next for Proposed Arlington Cemetery Eligibility Changes?** MOAA discussed the rule with the Army secretary and a key Navy council. Your support can help find a solution.

    - **Click on "Call Your Elected Official ….": Ask Your Lawmakers to Preserve the National Cemetery Benefit; TAKE ACTION: Call Your Elected Officials to Support the Expanding America's National Cemetery Act] to go to the Legislative Advocacy Center (LAC) to create your letters to legislators. NOTE: LAC requires your complete address or PO Box, city, and state in the address line, but NOT the ZIP code.**

- **SECOND ADVOCACY ITEM: Our National Guard Needs More Support to Overcome Ongoing Challenges.** These servicemembers are relied upon more now than ever. It's time their pay and benefits match their importance to our nation. No action required.

- **THIRD ADVOCACY ITEM: Progress Continues as VA Implements a New Model to Improve Access to Care.** Learn what the move toward more integrated care means to you. No action is required.

- **ARIZONA PROPOSITION 130, PROPERTY TAX EXEMPTIONS AMENDMENT:** This proposition will appear on the November 8, 2022 Arizona general election ballot. It is a proposed amendment to the Arizona Constitution. Proposition 130 would consolidate the constitution's property tax provisions into a single article. As of 2022, the subsections in Article 9 of the Arizona Constitution set specific exemption amounts for widows and widowers; those with total permanent disabilities; disabled Veterans; and property used for trade, business, or agriculture. This measure would allow the legislature to determine amounts of qualifications for the above groups.
    - A "**yes**" vote supports allowing the legislature to set certain property tax exemption amounts and qualifications (including property tax exemptions for widows and widowers; those with total and permanent disabilities; disabled Veterans; and property used for trade, business, or agriculture) and consolidating the constitution's property tax exemption provisions into a single article.
    - A "**no**" vote opposes allowing the legislature to set certain property tax exemption amounts and qualifications and consolidating the constitution's property tax exemption provisions into a single article.

1 September 2022

SUBJECT: Meeting Minutes

TO: NACMOAA Membership

Call to Order: The Northern Arizona Chapter of MOAA was called to order at 10:03 am, on 1 September 2022, by Mrs. Sharon Douglas, Chapter President, via the ZOOM Platform. All Chapter Board members were present except LCDR Peter Jensen, Chaplain, LtCol Bob Wallace and Col Jon Berry.

1. **Agenda Items Discussed:**

   a. **President Recap Information**:
      1) **New Board Representative:** Sharon welcomed Steve Woods as the new Legislative Affairs Representative. Steve will be a positive asset to the NAC chapter.
      2) **By-Laws Update:** Sharon noted that proposed **By-Law changes** were forwarded to the general membership after Board approval and prior to 1 September. This meets the 30-day requirement to allow for voting at the October luncheon meeting. Sharon has already received 18 affirmative votes from the members via email. A hand vote will be taken at the October luncheon to complete the necessary actions.
      3) **LOE Award:** Sharon stated the NAC chapter has received the 5 Star LOE award for 2021. A representative from our chapter is invited to attend the conference and awards presentation in Kansas City, MO on 14-15 October as Sharon is unable to attend.
      4) **The Yavapai County Stand Down** is to be held 16-17 September at the US Vets. NACMOAA handles registration duties for both days and is well staffed. US Vets are collecting winter clothes and undies. Sharon and Alex have been attending the coordination meetings.
      5) **October Lunch Update**. The guest speaker at the 5 October Luncheon will be representing the organization *People Who Care*. Alex has coordinated the guest speaker, Barry DeKemper, Development Director. This organization provides transportation and non-medical services to neighbors in the Quad Cities who can no longer drive or need assistance. Alex has also coordinated the Color Guard from Prescott High School for the October meeting.
         Sharon noted that she has experienced some coordination issues with Granite Gate since the departure of Chef Josh in the spring. She will be meeting with Granite Gate representatives today to discuss those concerns.
         Sharon plans on distributing a member survey to solicit input on luncheon dates, food, chapter activities.
      6) **Honor Flight:** The Chapter has raised the necessary funds to send a member and a chaperone on an upcoming flight (3 left this year). Wade Rutt was selected from the NAC MOAA chapter and hopes to be designated for DC 11-13 October trip to DC.

b. **Round table**

1)**Legislative Affairs**: Steve Woods stated there will be a Proposition 130 on the November ballot in Arizona for tax advantages to veterans with a VA disability of 30% or more relative to property taxes.

2) **Treasurer Update**: Dick reviewed the Treasurer's Report. There is a total of $ 6371.67 in total funds; $1448.10 General Funds; $1050.26 Honor Flight; $1201.00 Events Funds. He also noted that he has updated the treasury tracking to an excel spreadsheet which lends itself to more accurate and timely accounting records.

3) **Membership Report**: Dick advised that there are currently 55 regular and SSP members with 15 auxiliary members. A new directory was sent out but may have had some email distribution issues. Dick and Sharon will initiate a trial release prior to another all membership distribution.

4) Positions Available: Dick is actively recruiting for persons to transition the membership and PIO responsibilities to in the near future. He is working on job description to distribute. Dick noted he will continue to serve as Treasurer for the foreseeable future. He stated that there will probably be the need for some training for the web site and it is possible some costs may be incurred associated with this training.

5) **NACMOAA Ladies Lunch Reminder:** Lunch is scheduled on the odd numbered months. Mary Jonas advised there are six attendees for the September lunch. The November luncheon is moved to 18 Nov to avoid Veterans Day conflicts.

6) **Veterans Day Parade:** NAC MOAA will be participating and a reminder will be placed in the upcoming newsletter. A volunteer to walk the parade and take pictures would be appreciated.

7) **Surviving Spouse:** Sharon advised there is a very strong representative for Arizona – Nora Dunham – to Nationals. She is very active and a strong advocate.

2. Adjournment: There being no further business to be brought before the Board the Chapter President adjourned the meeting. Next ZOOM NACMOAA Board meeting is tentatively scheduled for 10:00 am 3 October 2022.

Respectfully Submitted,
Roberta B Rice

MOAA Surviving Spouse Summitted by Gail Joyce August 2022

Being a military surviving spouse is never easy, and even though we might think we are prepared for the future, unexpected circumstances and questions arise that we must be prepared to answer.

Spouses, military members, and surviving spouses who will be attending MOAA's 2022 annual meeting in Kansas City, Mo., are invited to participate in this special summit Oct. 28 at 9 a.m. for answers to key questions, including:

- How do we access VA benefits? What is the survivor assistance program?
- Are you aware of the recent legislative issues that impact families and survivors? How can we encourage our elected representatives to take action?
- What are the important steps to take to be prepared for life after a spouse dies?
- How do we begin the difficult process of getting rid of possessions accumulated over a lifetime in order to downsize?
- What are the many benefits MOAA provides for surviving spouses?

The summit will begin with an informative panel presentation, followed by round table discussions. The following topics will be presented:

- Downsizing Made Easy — Renée Brunelle, Surviving Spouse Advisory Council (SSAC)
- Preparing for the Future — Gail Joyce, MOAA board member, chair of SSAC
- Second Marriages and Other Important Issues — Capt. Paul Frost, AFC®, USN (Ret), MOAA Program Director, Financial & Benefits Education/Counseling/Veterans Services
- Current Surviving Spouse/Family Advocacy Actions — MOAA Government Relations Staff
- Assistance for Surviving Spouses — VA representative
- Presenters, assisted by SSAC members and MOAA staff, will lead the roundtable discussions. This will provide everyone a chance to ask questions and interact with other participants.
- Don't miss this opportunity to learn ways to be better prepared for the future to guarantee that as a surviving spouse you will be the one who has access to the important papers.
