Happy 2023.
The New Year is a time to look ahead at all the challenges and opportunities of the fresh new year. It is also a time to reflect on the past year and what we can do to make our own lives and the lives of those around us better.
I am hoping that in the year to come our chapter members will participate in some activities and projects to enrich the lives of those in our community. This includes veterans, cadets, surviving spouses, and active duty. During the upcoming year there will be opportunities to donate both financially and with the gift of your time.
One way to donate your time to a very worthy cause is "Veteran's Last Patrol". They connect veteran volunteers to veterans who are in hospice, so their last patrol will not be made alone. Some veterans are in hospice far from their family and friends. The companionship a fellow veteran can provide can be invaluable.

NAC was recognized in the online Thursday 05 January edition of Military Officer for a community service project.

**From the Field**

*MOAA chapter*s give back to their communities through fundraising efforts, community-service projects, scholarship programs, and other initiatives. Here are some recent activities.

Members of the ***Northern Arizona Chapter*** conducted its second annual holiday card writing campaign. Members wrote cards to residents of a local retirement community and to veterans at the VA to help ensure no one felt forgotten over the holidays.

Thank you to all of our members who participated.

Some of you may have seen the NFL player who suffered cardiac arrest on the field this past weekend. He was a healthy young man, underscoring the fact it could happen to anyone, at any time. He was revived by CPR and the use of an automated external defibrillator (AED).

Many of us have had CPR training in the past. It is a skill that needs to be reviewed from time to time. The American Red Cross is making it easy to take a course in CPR ether as a review or an orientation to the skill. You may sign up for an online training session for only $37. Please take the time to learn this skill, you could be potentially saving the life of a friend or family member: https://www.redcross.org/take-a-class

The New Year also means it time for chapter dues. The amounts are the same as last year, $25 for members and $ 5 for surviving spouses.

Dues can be sent to our Treasurer Dick Jonas at P.O. Box 1226 Chino Valley, AZ 86323. Dues may also be paid by credit card online at MOAA.org.

The 2023 Scholarship season is just around the corner. This year we will again be awarding scholarships to three JROTC and two ROTC Cadets.

Please consider contributing to the NAC Scholarship Fund, so we may continue to reward these cadets who have demonstrated outstanding character, scholastic excellence, and leadership qualities.

MOAA wins 16th consecutive award for 2022 effort:
With the help of its more than 400 councils, chapters, and satellites, MOAA recently earned Top Lobbyist honors for the 16th consecutive year from *The Hill*, one of the nation's top Washington-focused news organizations. This recognition is a direct result of the work of our headquarters' team in Alexandria, Va., and our chapter members nationwide.

## *Ladies of NACMOAA*

We gather at 11:30 AM, at Augie's Restaurant in Frontier Village, order off their menu and pay individually. Our lunches are over by 2:00 PM. We invite all ladies of NACMOAA to join us for this social event.

**Our lunch dates for 2023 will be: March 10th; May 12th; July 14th; September 8th; and November 10th.**

These dates are all the 2nd Friday of odd numbered months.

If you know of any of our Ladies who have moved or have health issues we should be aware of, please forward that information to Mary Jonas at mlgjonas.2012@gmail.com or call her at (928) 925-4674. You can also share wishes for prayer or spiritual questions with our Chaplain, Peter Jensen, at (323) 928-9918.

## Membership Corner:

WELCOME: New members LCDR H. Spencer O'Neal, USN(Ret)and wife, Caryn are our most recent members as of mid January. They live in Clarksdale and we hope to meet them at the 1 February luncheon.

The Chapter's Membership Chair is LtCol Dick Jonas. When you have changes in phone numbers, email addresses, or postal addresses, please share them with him so that he can keep the membership roster current. His email is az04nac@erosonic.com; his phone number in Chino Valley is 928--636-2259.

If you need a MOAA nametag, Dick is the man to see. They cost about $6 each and requires about a 2-week turnaround time.

Dick has recently picked up some other additional duties for the Chapter and needs some help. He has been Membership Chair for 12 years, and is looking for that proverbial "new broom" you know, the one which sweeps clean. It's time for some new ideas in the Membership and recruiting biz. So, if you're willing to step up to the plate, give him a call, or send him an email

LtCol Dick Jonas, USAF (Ret)
Membership Chair, NACMOAA

**PUBLIC INFORMATION OFFICER CORNER: REQUESTING ASSISTANCE**

Dick Jonas is the Chapter's PIO. The most important function of the PIO is to let our community know who we are and keep them informed about what MOAA does for veterans and how they can help. The PIO works with local newspapers, and keeps our website up to date and looking spiffy. Oh, no, you do NOT have to know how to do all that magic which keeps a website cooking on the internet. But you do need to be creative and able to communicate with anyone who may surf across our site. The tech stuff is handled by Bryan Earl, our real webmeister. He can even teach you some of the easy stuff. For example, the present PIO learned how to post up our bimonthly newsletter. Dick needs some help here, too. Please contact him if you'd be willing to help.

**As our new Congress begins its current session, MOAA has refined its advocacy priorities. MOAA's advocacy priorities for Veterans, survivors, and retirees in the 118th Congress include:**

- **Concurrent Receipt of military retirement pay and VA disability pay.**
- **Improving survivors' benefits.**
- **Ensuring pay at or above Employment Cost Index, allowances, and programs necessary to recruit and retain a quality force.**
- **Maintaining the hold on medical billet reductions until required reports clarify how any cuts will fully support both readiness and beneficiary access to care.**
- **Reversing the degradation of the pharmacy benefit, specifically ensure access and achieve limits to copay increases.**
- **Requiring DoD to establish a transparent and well-publicized problem reporting system for TRICARE beneficiaries experiencing access challenges within the direct care system of military hospitals and clinics, including an annual report to Congress on the number and types of beneficiary access problem reports by MTF and steps taken by DHA to address systemic access problems.**
- **Monitoring recent major legislation enacted such as the PACT Act in the areas of health care, compensation, and follow-on support for surviving spouses and families and seek statutory or policy changes as required.**
- **Compelling Congress and VA to accelerate caregiving and whole health care services, and modernization of VHA workforce and facility infrastructure to improve veterans access to high quality care.**
- **Improving congressional support for uniformed services families: enhancing programs to support spouse employment, ensuring implementation of an effective basic needs allowance, and providing accessible, affordable childcare options.**
- **Overcoming the lack of effective problem-reporting mechanisms and resolution systems in the Military Health System.**
- **Repealing the recoupment of last month's paycheck after retiree's passing and continue to improve SGLI/VGLI updates to match inflation.**
- **Improving DIC baseline to align with other government entitlements' baseline of 55%.**

NORTHERN ARIZONA CHAPTER

Mrs. Sharon Douglas
President

Mrs. Roberta B Rice
Secretary

4 JANUARY 2022

SUBJECT: Meeting Minutes

TO: NACMOAA Membership

**Call to Order**: The Northern Arizona Chapter of MOAA was called to order at 10:01 am, on 4 January 2023, by Mrs. Sharon Douglas, Chapter President, via the ZOOM Platform. All Executive Committee members were present except LCDR Peter Jensen, Chaplain.

1. **Agenda Items Discussed:**

a. **President Recap Information**:
   1) **By-Laws Update:** Sharon noted the Bylaws were approved at the December luncheon meeting by member vote. There is a date adjustment that is simply an editing correction. The By-Laws have been distributed by Dick Jonas.
   2) **National MOAA Visit:** Captain Stone from National MOAA will visit in April. Discussion ensued about a premeeting with the NAC MOAA board prior to the membership luncheon. Options regarding location and times were discussed and will be further defined in the coming weeks.
   3) **NAC MOAA Web Page:** Sharon noted there is outdated information on the web page and we need to assess if we should continue this communication tool, go to a smaller size or pursue paying for keeping it updated. The initial cost of the establishment of the web presence was $2000.00 with a monthly hosting fee of $20.00. Dick Jonas will inquire of the Web Master potential costs of upkeep by an outside source. Alex Torrance will interact with ROTC units to see if a volunteer member would like to keep this updated to count towards volunteer service. The use of groupworks was discussed as it is used minimally by members.

b. **Nominating Committee:** Sharon noted the Nominating Committee is open to recommendations of members for offices. She and Alex Torrance's terms conclude at the end of 2023. Bob Wallace, Dick Jonas, Jon Berry and Alex Torrance are the members of the Nominating Committee and will meet to address nominees for board positions.

c. **Honor Flight:** The flight that member Wade Rutt was selected to attend from our chapter has been rescheduled for April. Jon Berry would like to have transportation via shuttle or a volunteer driver to/from Phoenix Airport for Wade and himself. Dick Jonas volunteered to provide transportation.

d. **Funds Distribution:** It is noted that upon completion of the April Honor Flight, funds previously in that designation will be redistributed to the Scholarship Fund.

e. **Job Descriptions:** Sharon sent updated job roles to Roberta Rice, Secretary and Steve Woods, Legislative Affairs Representative.

f. **Surviving Spouse State Liaison:** Sharon has posted the current information in a PowerPoint Presentation on groupworks.

g. **Round table:**

1) **Upcoming Luncheon:** Alex Torrance stated the guest speaker is Tom Callaghan, a historian, international business man and patriot. Prescott High School JROTC will be presenting the Colors.
2) **Treasurer Update**: Dick Jonas reviewed the Treasurer's Report. There is $6555.28 in total funds. He is sending out reminders for annual dues.
3) **Positions Available:** Dick continues to actively recruiting for persons to transition the Membership Chair and PIO responsibilities to in the near future. Dick noted he will continue to serve as Treasurer for the foreseeable future.
4) **Update Member's Health:** Bob Wallace stated Stewart Frasier is continuing his recovery after surgery and Naoma Frasier is also experiencing some health issues. Bill McCollum recently passed away; Pat Artzen is recovering from pneumonia. Carole Ebersole continues to endure health complications.
5) **NACMOAA Ladies Lunch Reminder:** The luncheons are scheduled on the odd numbered months. Mary Jonas noted the next luncheon is on Friday, 13 January at Augie's Restaurant.
6) **Newsletter:** Roberta Rice reminded contributors the deadline for articles and information is the 7th of each month to allow for timely distribution.
7) **Legislative Affairs:** Steve Woods stated there is a new council Legislative Chair, Tom Waddle.

2. **Adjournment:** There being no further business to be brought before the Board the Chapter President adjourned the meeting. Next ZOOM NACMOAA Board meeting is tentatively scheduled for 10:00 am on 8 February.

Respectfully Submitted,
*Roberta B Rice*

## MOAA National Surviving Spouse Corner: Looking Back on 2022

Gail Joyce, chair of the Surviving Spouse Advisory Council
Submitted by Sharon Douglas

Surviving spouses comprise approximately 13% of MOAA's membership — that is over 46,000 members, voices, voters, givers, and doers. The Surviving Spouse Advisory Council (SSAC) represents these 46,000 members by supporting surviving spouses and spouses and promoting MOAA's strategic priorities at every opportunity through education, encouragement, and engagement.

In 2022, surviving spouses led MOAA chapters as president, secretary, treasurer, newsletter editor, program director, and legislative chair and created and managed community programs. We conducted five surviving spouse liaison trainings for over 100 surviving spouse liaisons, spoke at more than two dozen chapter meetings, wrote 12 articles, contributed to more than 100 Advocacy In Action sessions, and participated in 12 virtual meetings with over 500 total participants. We also organized and participated in a surviving spouse/spouse summit that attracted more than 80 participants.

**Surviving Spouse Liaison Training:** SSAC member training was held during regional leadership workshops in Florida, Washington, North Carolina, Nebraska, and Texas. Average attendance for each workshop was 80, with about 20 attending the Surviving Spouse Liaison Training.
**Surviving Spouse Virtual Chapter:** Membership continues to grow, with 210 members from 38 states. The chapter meets on the third Tuesday of each month. Every other month is a business meeting with a speaker, and alternate months are an informal gathering to exchange information and ideas.
**Articles for MOAA Newsletters:** SSAC members wrote monthly Surviving Spouse Corner columns, which are published the first Thursday of each month in *The MOAA Newsletter*.
**Surviving Spouse Liaison Excellence Award:** This year, we chose two excellent finalists from an outstanding list of nominees as recipients of the award — one representing a chapter, Judith Thomas and one representing a council, Patricia Bergquist.
**Surviving Spouse/Spouse Summit:** A highlight of the year was the second annual "Surviving Spouse/Spouse Summit," held during the MOAA annual meeting in October in Kansas City, Mo. Over 80 surviving spouses, spouses, and military members attended.
**Chapter Leaders Roundtable Discussion:** SSAC members participated in roundtable discussions about important chapter issues.
**MOAA Surviving Spouses and Friends Facebook Group:** This group has over 750 members and provides updated information on important surviving spouse issues, especially regarding the Survivor Benefit Plan/Dependency and Indemnity Compensation offset. Former SSAC member Kathy Prout is the administrator, with current SSAC members Kathy Thorp and Nancy Mullens assisting.

**Community Involvement:** In addition to direct MOAA involvement, SSAC members participated in caregiving and Gold Star Family organizations, Veterans Day and Memorial Day events.

The council's goals for 2023 include increasing surviving spouse membership in national MOAA, local chapters, and the virtual chapter; developing a webinar on surviving spouse and spouse issues; and organizing the next Spouse/Surviving Spouse Summit. Improving training guidelines and support materials will also be at the top of our to-do list this year. We look forward to a very productive and exciting year as we never stop serving.

## A World Perspective with Our February Guest Speaker

Tom Callaghan is a true patriot, speaker, historian and international businessman. After obtaining his undergraduate degree from Loyola University and his MBA from Northwestern University's Kellogg Graduate School of Management, Tom served in the United States Army as a Warrant Officer and medevac pilot in Vietnam. Tom completed active duty and entered the world of business in Saudi Arabia where he worked and lived for three years building the King Faisal Hospital. Upon returning to the United States, Tom built three pavilions at Epcot and opened his own manufacturing company employed 165 people in his Wisconsin plant. Tom has traveled the world and now shares his fascinating experiences, thought provoking presentations designed specifically for Veterans, Civic Organizations and Corporations worldwide.

# 4 Changes Coming to TRICARE Pharmacy Program in 2023

**By TRICARE Communications**
**Submitted by Sharon Douglas**

FALLS CHURCH, Va. – As the new year approaches, make sure you're aware of changes to the TRICARE Pharmacy Program that may affect you.

Some of the changes you'll see next year result from changes to the contract with Express Scripts, the company that manages the TRICARE Pharmacy Program.

Here are the four pharmacy changes to prepare for in 2023.

**1. Kroger leaves TRICARE network**

Kroger pharmacies will no longer be a part of the TRICARE retail pharmacy network. This includes all Kroger's family pharmacies, including but not limited to:

- Fry's Food and Drug
- Kroger/Harris Teeter/Fred Meyer/Smith's Food and Drug/King Soopers

**********Dewey Pharmacy and Chino Pharmacy DO ACCEPT TRICARE INSURANCE

You must move to a TRICARE in-network pharmacy before Jan. 1, 2023. You can use Find a Pharmacy to search by ZIP code for a new, in-network pharmacy in your area. Please note, you may still see Kroger family pharmacies listed in the Find a Pharmacy tool before Jan. 1, 2023.

On or after Jan. 1, 2023, if you continue to fill your prescriptions at a Kroger family pharmacy, you'll pay the full retail price for your prescriptions. If you do this, you can file a claim for reimbursement. Reimbursements are subject to a deductible or out-of-network cost-shares and copayments. This change applies to all prescription drugs, including specialty drugs.

**2. Prescriptions require your approval**

You will need to approve each refill when enrolled in the TRICARE Pharmacy Home Delivery automatic refill program. This ensures you only receive the prescriptions you need. Here's how the process will work:

1. Express Scripts will let you know—via phone, email, or text—that you have a refill coming up.
2. log in to your account or through the free Express Scripts mobile app to confirm you want your next refill. Reminders for your refill will continue until your prescription expires. Keep in mind, if you don't approve your refill, Express Scripts can't ship your medication.
3. When your medication is ready, Express Scripts will send it to you
4. **More options for electronic notifications**

   You now have more options to get pharmacy updates, like formulary drug changes, drug

recalls, and claims processing. By logging in to your Express Scripts account, you can choose the way you'd like to receive information: email, phone call, or text.

5. To update how you'd like to receive communications, once in your account, choose "Communications Preferences" from the list, and follow the instructions.

**Add caregivers to your account**

Do you have caregivers you'd like to give access to your Express Scripts account? You can now add them. When you do, you're authorizing them to manage your prescriptions and Express Scripts account. You can have multiple caregivers on your account. You'll still be able to manage your account, too.

It's easy to add a caregiver to your Express Scripts account. Just log in to your account, choose "Add a Caregiver" from the list on the left, and follow the instructions.

Are you budgeting for 2023? Remember, your pharmacy costs aren't changing. As outlined in the *TRICARE Costs and Fees Fact Sheet*, pharmacy costs remain the same through 2023.

To learn more about the TRICARE Pharmacy Program, refer to the *TRICARE Pharmacy Program Handbook*. For more details about the upcoming changes or if you have questions, contact Express Scripts.

**Changes to Tricare Specialty Drug Network**

- Starting Jan. 1, Accredo will be the primary in-network pharmacy to fill specialty drugs in the TRICARE pharmacy network. If you're currently filling your specialty drugs at a retail network pharmacy, you can move your specialty drugs to Accredo now to avoid disruptions to your medication therapy.
- Speciality drugs include certain drugs to treat cancer, MS, rheumatoid arthritis, Hepatitis C and others.
- Many of these drugs are not available to retail pharmacies.

## UPDATED INFORMATION: Veterans Suicide Prevention Line

National Suicide Prevention Lifeline (now known as the **988 Suicide & Crisis Lifeline**), and is now active across the United States. When people call, text or chat 988, they will be connected to trained counselors that are part of the existing Lifeline network. These trained counselors will listen, understand how their problems are affecting them, provide support, and connect them to resources if necessary.

**The previous Lifeline phone number (1-800-273-8255) will always remain available to people in emotional distress or suicidal crisis.**
