As this Newsletter goes to print many events will have already taken place and November and December are full of days of special meaning to all. So, with that I say celebrate, rejoice, give thanks and have peace in your heart as we welcome 2025.

As I look back at 2024, I reflect on what we did as a chapter this past year. Our guest speakers; February, Mrs. Zena Krogedal, a Viet Nam refuge, a realtor and the guiding force in many charitable events for veterans in the Quad City area through Varep. April, Mrs. Michelle DiMuro, Executive Director Imprints of Honor formally Veterans Heritage Project, connecting students with veterans to honor veterans, preserve history and develop future leaders. June, Mr. Bryan Campbell, retired Marine, Executive Director U.S. VETS Prescott undertaking the care of our homeless Veterans. "Serving those who served", August, Dr. Megan Babcock, MD, Chief of Staff Northern Arizona VA Health Care System. October, Mrs. Paula Pedene, the "Whistleblower" and author of "A Sacred Duty" on the corruption in the VA Health Care System.

April was our recognition month for our ROTC/JROTC units in our area. We had the privilege to recognize outstanding cadets from Embry-Riddle Aeronautical University Air Force and Army, Prescott High School, Bradshaw Mountain High School and Mohave High School with Medals and Scholarship funds. Truly an honor to be a part of.

After 5+ years of having Granite Gate Senior Living Facility being our gracious host, we had to bid farewell. Can't say enough of how well they treated us and catered to our desires. They went well above and beyond to ensure that all our luncheons and meetings were of the highest caliber. Looking forward to building a relationship with our new location, Prescott Centennial Center

Activities and participation abound in 2024! Over 100 hours of Therapy Pet (Bos'n) visit/support to various Senior Living Facilities and library, help in setting up "Healing Fields" in Prescott Valley, clothing/hygiene items collected in support of Yavapai County Veterans Standdown (which enabled U.S. VETS to provide for over 219 Veterans and families). Let's not forget about the Hurricanes that hit Florida and the Carolinas! Support of the highest honor when one of our very own members went over to aid in relief of those that were affected and the challenge we sent out to our membership where we raised funds of over $730.00 (members donations) to help in the relief effort.

"Everyone has inside them a piece of good news. The good news is you don't know how great you can be! How much you can love! What you can accomplish! And what your potential is." Anne Frank

Dear NACMOAA Friends. Our second luncheon in our new location was equally as pleasing as the first one. Not only is the room conducive to our needs, but there are no stairs to climb, there is ample space, parking is plentiful and near the door, the staff are very friendly, and the food is excellent! So, if you haven't been able to join us lately, please do so. I think you'll be pleasantly surprised – and we would love to see you! Our next Luncheon is scheduled for Tuesday, December 17th at 1100 hours. --- Between now and then is Thanksgiving. Thanksgiving is a time of reflection. May your Thanksgiving be filled with joy, family, and remembrance of our blessings.

Well, it was really, really, hot… and now it's not! Seemingly overnight, it's cold. Winter is very near. It hardly seems possible. For us however, as military people, the month of December brings with it not only the beginnings of Winter, but special meanings, signs, and warnings as well. 83 years ago, the world was in global conflict and turmoil. On December 7th, 1941, our country was tragically brought into the global chaos known as WW-II. As I write this note, today the world is again in global conflict. I pray that these conflicts can be resolved without further escalation. However, as military people, we understand the vigilance and readiness required of us and our fellow servicemembers. Let us pray that history is not repeated, and we can celebrate the birth of Christ this month, in peace, with those we love and cherish. Let us also celebrate the remembrance of those who served alongside of us, but are no longer with us.

Okay! It's that time again! Your 2025 Chapter dues are now due and payable. Dues for the next calendar year are due by January 1st. Thank you to those of you who have paid for multiple years in advance. The new Directory should be in your email by the time you receive this newsletter. If you are unsure of your dues status, the last column on the right of your listing will have the year through which your dues are paid. Please help us administratively and remit your dues promptly.

Also - Remember that our Chapter provides Scholarships to three JROTC, and two ROTC Cadets. Please consider a generous donation to our scholarship fund to help our Chapter recognize these fine young future leaders of our country. All scholarship contributions go to scholarships and the more we receive, the larger the scholarships. Thank you for your generosity. Please consider too, donating to support our organizational expenses such as printing costs, postage, website support, etc. Thank you!

Dues and contributions can be made in one of three ways:
* In person at our bi-monthly Luncheons;
* Mailed to: NACMOAA
P.O. Box 95
Dewey, AZ 86327
(Make checks payable to: "NACMOAA").
*Online through our National MOAA organization's website: www.moaa.org .

As your Public Information Officer, I am continually looking for ways to let others know of our Chapter's activities and events and to locate prospective new members. Please invite any eligible prospective member to join our organization. We would love to welcome them. Thank you.

LEGISLATIVE AFFAIRS UPDATE

by COL (RET) Steve Woods, U.S. Army

Well, we have just completed another election cycle, and it looks like we will have some changes in our legislators in Washington and Phoenix. I'll provide a full updated list of the Representatives and Senators across our Chapter's area with contact information in our next newsletter.

NATIONAL LEGISLATIVE INFORMATION

The U.S. Congress returns to DC on November 12th for what is known as a "lame duck" session. However, the name can be misleading. After the midterms in 2022, many important legislative actions were completed and sent to the President to be signed into law. MOAA is asking for your continued advocacy for the passing of the National Defense Authorization Act (NDAA). The NDAA is a must-pass legislation that includes many key MOAA priorities. This includes passing the Richard Star Act (H.R. 1282/S. 344), restoring full BAH (H.R. 2537/S. 1823) and protecting TRICARE for Life. I urge you to once again visit the MOAA Action Center and send the prepared letters to our Senators and Representatives. Please take time to personalize the letters by explaining why these issues are important to you. Here are the priority links that you should consider:

- Richard Star Act: https://moaa.quorum.us/campaign/43784/
- BAH Restoration: https://moaa.quorum.us/campaign/46553/
- Protect TRICARE for Life: https://moaa.quorum.us/campaign/56719/

ARIZONA LEGISLATIVE INFORMATION

Thanks to the hard work of Lt Col Darren L Venters USAF (Ret), Legislative and Transition Director for the Green Valley Chapter, we have both an Arizona State Senator and Representative signed on to reintroduce legislation in support of state income tax parity for USPHS officers serving in Arizona. This action is a priority for the AZ Council of Chapters. Senator David Gowan (R), District 19 and Representative Stacy Travers (D), District 12 have expressed their willingness to reintroduce the bill in their respective houses. Hopefully with their bipartisan support, we will get this done this coming session starting in January 2025. I ask that you send a personal note of thanks to Senator Gowan and Representative Travers for their support.

Sen Gowan: DGOWAN@AZLEG.GOV

Rep Travers: STRAVERS@AZLEG.GOV

Governor Hobbs has named John Scott II as the Arizona Department of Veterans' Services Director. You can find Mr. Scott's bio at: https://dvs.az.gov/about/leadership/john-scott. Mr. Scott will be up for Senate confirmation in January. The ADVS Director is a critical leadership position for protecting the rights of Veterans at the state level. It is extremely important to ADVS to have a confirmed and permanent Director to ensure that ADVS serves the needs of Arizona Veterans. After service in the United States Marine Corps, Mr. Scott has had a long career of working with and for Veterans in our state, most recently as the Director of the Phoenix area USVETS, and has the full

support of the AZ Council of Chapters. The Arizona Senate has established a committee dedicated to overseeing nominations and named AZ Senator Jake Hoffman as the chairman. I urge you to write to Senator Hoffman and ask him to support Arizona Veterans by asking his committee to approve Mr. Scott's nomination when the committee meets in January. You can send emails to Senator Hoffman at: JAKE.HOFFMAN@AZLEG.GOV or calling his office at (602) 926-3292.

I don't need to remind you that grassroots advocacy works…. but only if you get involved! Thank you for all for your support on these important issues throughout the last year and for your continued support in the coming year.

Surviving Spouse Corner
Submitted by Sharon Douglas

I would like to start by congratulating MAJ Jane Strain, USA (Ret) for her recent induction to the Arizona Veterans Hall of Fame. Strain left a career in teaching to join the Women's Army Corps (WAC) and went on to spend 21 years in service to our nation.

MAJ Strain is currently the Surviving Spouse Director of the MOAA Coronado Chapter. She is very active in supporting and assisting the surviving spouses in her chapter. She is also active in many community organizations including serving on the Cochise Community College governing board.

Many of our surviving spouses may be overlooked for their own contributions in service to our nation. It is easy to see them only as the spouse of one of our members. Gloria Rutt is a good example.

Gloria served 5 years active duty in the Army Nurse Corps. Her goal was becoming a doctoral level Psychologist. Gloria received her Masters Degree in Counseling Psychology at Ramstein AFB and worked in Drug and Alcohol clinics in Kaiserslautern and Dwight David Army Hospital. When her husband, MAJ Wade Rutt was transferred to Fitzsimmons AMC she entered the University of Denver Graduate School of Professional Psychology and received a doctorate in Clinical Psychology. Gloria specialized in Health Psychology and later in Trauma and PTSD. She treated service men and women in private practice and ended her professional career at the Cheyanne VA where she specialized in Suicide Prevention, Traumatic Brain Injury, PTSD, and Chronic Pain.

Gloria is grateful she could be of service to her fellow veterans.

NAC is proud to have CPT Gloria Rutt in our chapter. Thank you for your service to our country and providing care and comfort to our veterans in need.

A few legislative updates for the end of the year:

-Caring for Survivors Act of 2023 H.R. 8371 (was S. 414 H.R. 1083) Introduced 2/17/23. House referred bill to Subcommittee on Disability Assistance and Memorial Affairs

Bill would increase DIC from 43% of 100% of disability compensation to 55% to equal other compensation programs.

(continued on page 9)

(continued from page 8)

** In urgent need of co-sponsors. Currently only 87 have signed on. Please contact your lawmakers and ask for their help. Due to costs, this will be a prolonged campaign much like the repeal of the widow tax offset.

-H.R. 7777 Survivor Benefits Delivery Improvement of 2024. Bill was introduced in Sept. 2024.

This is a companion bill to Caring for Survivors Act proponing an increase in Veterans Disability Compensation.

-Senator Elizabeth Dole 21st Century Veterans Healthcare and Benefits Improvement Act H.R. 8371. Bill was introduced to the House 05/14/24. Currently it is in the initial stages of the legislative process. This bill aims to improve benefits, upgrade survivor programs, homeless veteran outreach, and increase home based care. It would also provide for mental health care grants to caregivers.

-Respect for Grieving Military Families Act H.R. 3232 S.596. Would stop recoupment of the last month of the veterans pay. This should be part of the defense bill.

Don't forget to review your 2025 healthcare choices.

Medicare open enrollment season ends 07 December. You can review changes for 2025, sign up or change advantage plans and prescription drug plans. Information on dental and vision plans can be found at Benefeds.gov.

The holidays are right around the corner. The ladies of NAC will once again be holding their Holiday Card Campaign. We are asking that you bring holiday cards with your personal greetings, to the 17 December NAC Holiday Luncheon. Please keep in mind there are a number of different religions and cultures celebrating various holidays so a variety of cards is welcome. NAC will be distributing the cards to the Northern Arizona VA.

If you find yourself feeling down, stressed, or filled with anxiety this holiday season, don't ignore your feelings if they get overwhelming. Call a friend or family member, go for a walk, read a new book, check out a movie at the theater where you can enjoy real movie popcorn. Join a group that shares your interests. Exercise or keep active if possible. For more help: contact TAPS (Tragedy Assistance Program for Survivors) 1-800-959-8277. VA Northern AZ mental healthcare 928-445-4860 ext. 7500. Contact your primary care provider, or the Crisis Line at 988.

I wish everyone a safe and plentiful Thanksgiving. Looking forward to seeing you all at the NAC Holiday Luncheon. Don't forget to bring you personalized holiday cards for the VA.

Happy Holidays.

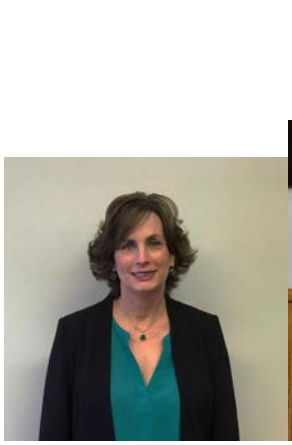

GLORIA RUTT - Involved in Orchard Ranch Veterans Lunch and member of the planning committee since 2014. Each year the residents raise funds to host a luncheon in honor of veterans and present a quilt to a veteran in gratitude for their service.

INFORMATIVE SPEAKING SERIES

INVOLVEMENT IN OUR COMMUNTIES THROUGHOUT THE YEAR

IN MEMORIUM - JAMES A RICE, LTC, US ARMY

Jim Rice, lifetime member of MOAA and member of NAC MOAA chapter passed away recently at his home in Prescott Valley with his wife of 51 years, Roberta, at his side.

He was a retired US Army Field Artillery Officer of 21 years; this was followed by a 20 plus year career in defense contracting to continue his mission of protecting the USA. Jim served in four countries and 10 states during his career which culminated in his appointment as Project Manager, Mortar Systems. He provided armaments for the Gulf War at a record pace to support the mission and received numerous awards and recognitions for his outstanding leadership throughout his career.

He and Roberta moved 18 times during their marriage with his beloved three children born in three different countries. He was proud of his children, their spouses and his 10 grandchildren.

Jim was especially known for being called OPA to those ten grandchildren and created many memories of mischief and mayhem with them.

LTC J.A. Rice will be interred at the San Joaquin National Cemetery in Gustine, CA. He will complete and cement his family legacy by joining his father - LTC M. Rice, U.S. Air Force, and his brother LTC R. Rice, U.S. Army, in the hallowed grounds of veterans who have dedicated their lives to the service of our beloved country.

His family will miss him dearly but find solace that after a five -year battle with Alzheimer's disease, Jim is whole again with his brilliant mind and fabulous sense of humor resting in the arms of a loving God.

Any person who has ever held a commission or a warrant in any of the eight uniformed services is eligible for membership in the Military Officers Association of America.
