It looks like our short spring is coming to an end and high temperatures and humidity are right around the corner. As you enjoy all that Prescott has to offer in the summer, remember to stay hydrated, use sunscreen and check on neighbors. Please leave your pets at home and off the trails when the temperatures are extreme. Consider donating water to local organizations who make sure our veterans are taken care of.

I would like to congratulate Mary Jonas, Editor of The Outback Newsletter for being awarded the 2021 Marvin J. Harris 4 Star Communications Award in the print division. This is well deserved recognition. Mary puts a lot of time and effort into making our newsletter one of the best nationwide. Congratulations and thank you for your time and expertise.

presented at the meeting was a new emphasis on training for staff and Board positions. Pete Kloeber, AZ COC President is compiling input from all chapter presidents to create a module style training program. This should help standardize some policies and procedures. Individual chapters will still have the opportunity to run chapters as they see fit (within MOAA standards) and create their own bylaws. These training modules will be a great resource and training tool for members assuming new leadership rolls.

Speaking of stepping up and assuming a leadership role, I would like to invite anyone interested in joining our Executive Council, please let me, Dick Jonas or Bob Wallace know. We would be happy to tell you about the position duties and responsibilities. The Membership Chair position is available now. Openings at the end of the year include Treasurer, Secretary, and Legislative Affairs Liaison.

The national Advocacy in Action Campaign for 2022 wrapped up on 30 April. I am happy to report that through the hard work of all Arizona chapters, every state representative and both senators were contacted and granted time to our MOAA representatives. The three key points MOAA is supporting in 2022 were presented. While the formal AIA has concluded, please continue to contact your legislators to let them hear your voice all year long on items you feel strongly about. For the easiest way to contact your congressmen, go to MOAA.org then click on Legislative Action Center.

I am proud to tell you that NACMOAA awarded 6 scholarships this year. Alex Torrance and I attended and had the honor of presenting scholarships at both ROTC and both JROTC ceremonies. It was very moving and inspirational to meet and shake hands with our nation's future leaders. I can assure you we are in good hands. Two other scholarships were presented in Lake Havasu City. Scholarships were given to a Mohave High School JROTC Cadet and the Gerald Jacob Hietpas Memorial was presented on 09 May. More information and photos can be found in this newsletter.

For the first time in over two years, Honor Flights are back up and flying. The first flight left for D.C. last week. I believe there is just one more flight this year. I would really like to see our chapter send a deserving veteran on this trip of a lifetime. We need to identify a veteran who would like to make this trip. If you know of a veteran who would like to make this journey, please contact me.

I hope you can all join us for our next luncheon on Wednesday 01 June. This month it will be a Luau Theme. Please feel free to wear your Hawaiian attire to the luncheon. Join us for a Welcome Mai Tai upon arrival. The menu and RSVP form are provided in this newsletter. Deadline for your RSVP is Wednesday, 25 May. You may pay at the door, but I do need your RSVP for a headcount for the chef.

Granite Gate has relaxed Covid-19 standards a bit. They are no longer requiring a mask or a temperature check. But they are still requiring you be vaccinated.

The Granite Mountain Young Marines will be presenting The Colors at our luncheon.

(President's Message continued from page 3)

Our Guest Speaker will be Candace Lea, MBA. She is the Community Liaison and Marketing Representative for Adult Care Services for The Susan J. Rheem Adult Day Care Center & the Margaret T. Morris Assisted Living Center.

If you have any ideas for future speakers that you would find interesting, please send that information to Alex Torrance.

The Annual Memorial Day Observance will be held in Prescott on Monday, May 30, 2022 at 9:00 AM, Historic Citizen's Cemetery 815 Sheldon Street Prescott, Arizona 86301. Also save the date for the Prescott Veterans Stand Down on 16-17 September at the US Vets facility. Please consider volunteering.

I hope you enjoy this edition of The Outback. I look forward to seeing you at our Hawaiian Luau Luncheon.

Mahalo for your time and Aloha till 01 June,

Sharon

The Making Advances in Mammography and Medical Options Act (MAMMO)

The MAMMO Act would improve mammography services for veterans by requiring the VA to develop a strategic plan for breast imaging services and establishing a tele-mammography pilot program in states without VA mammography services.

This bill would also require VHA to upgrade all mammography equipment to three-dimensional imaging and to study the availability of genetic testing for the breast cancer gene for veterans.

These requirements, in addition to studies and increased partnerships with designated providers within the National Cancer Institute network and the Department of Defense should help improve access to high-quality breast cancer care for all women veterans.

Please urge your elected officials to support H.R. 4794/S 2533

Bill Would Support the Families of Deceased, Defrauded Veterans

By: Kevin Lilley

MAY 04, 2022

A bipartisan bill introduced in the Senate on April 5 would ensure families of defrauded veterans receive the benefits owed if the veteran passes away before their case with the VA is resolved.

The Restoring Benefits to Defrauded Veterans Act ([S. 3994](#)), sponsored by Sens. Joe Manchin (D-W.Va.) and Tommy Tuberville (R-Ala.) would add language to existing law that would require the VA secretary to pay out these fraud claims to a veteran's estate, a fiduciary who had served the veteran, or "the next inheritor." The House version of the legislation ([H.R. 5966](#)) was introduced Nov. 21 by Reps. David Trone (D-Md.) and Tom Emmer (R-Minn.).

The claims stem from misuse of benefits by a [veteran's fiduciary](#) where the secretary is found to have committed "negligent failure" to "investigate and monitor a fiduciary," according to [current law](#). There were about 12,000 allegations of such fraud from Jan. 1, 2018, to Sept. 30, 2019, according to a [VA Office of Inspector General \(OIG\) report](#).

While OIG found no "systemic issues" with the VA Fiduciary Program, it did find "instances of significant wait times," including one veteran owed more than \$20,000 in misused funds waiting more than 19 months after the ruling to receive his money.

MOAA supports the measure along with The American Legion, Paralyzed Veterans of America, Veterans of Foreign Wars, and the Wounded Warrior Project.

"Unfortunately, thousands of veterans have been victims of fraud and have dealt with a long, drawn out process to ensure they and their families receive their earned payments," Manchin said in a press release announcing the Senate legislation, adding that the bill would "make a simple fix to help these defrauded veterans and their families receive the support they need and deserve."
