## FROM THE PRESIDENT

By: Tom Farrell

I wish to express my appreciation to all the members of the Northern Arizona Chapter of the Military Officers Association of America (MOAA) for your confidence and support in electing me as your new President. Coming from a military family, where my father served in combat during WWII and Korea (The Greatest Generation), I learned early in life the importance of service to our great country. As a young enlisted soldier serving during the "late sixties" to later as an Infantry Officer serving during Desert Storm and Kosovo, I was proud to serve with my fellow soldiers who were also dedicated to the cause of freedom.

2026 will mark 250 years as a Republic. It's important for all citizens to reflect on the significant accomplishments our nation has realized during those years. Our country was certainly divided during the Civil War and those wounds healed slowly. The two World Wars tested our resolve as a nation with a sense of community/support from fellow citizens, particularly during WWII, (Rosie the Riveter). Today, we continue to live in uncertain times, with major upheavals seemingly commonplace within our communities and government. More than ever it's important to maintain our values, freedoms and continue to support our country and its citizens.

I wish to take this opportunity to thank LCDR Clyde Meade for his dedicated service to our organization for over 6 years. Clyde has done a yeoman's job in leading our organization during his tenure. I hope I can contribute in the continued success of our Chapter.

I encourage you to reach out to me to discuss any issues/recommendations that you may have. My phone # is 253-468-6050, e-mail: [tdfarel@aol.com](mailto:tdfarel@aol.com).

I wish you all a Prosperous and Happy New Year!...

Tom Farrell  
President, NAC MOAA Chapter

## MEMBERSHIP & PUBLIC INFORMATION OFFICER CORNER

Dear NACMOAA Friends.

Happy 2026! I hope that you all had good and memorable holiday experiences, and I pray that this newsletter finds you all well. As the new year begins, and the excitement and festivities of the holiday season are behind us, it is often comforting to get back into the groove of ordinary everyday living.

As for our NACMOAA chapter, we have a new President and Vice President elect and many new officers. They will be installed at our February luncheon meeting. Please join us to welcome them to their new positions and to thank them for their voluntary service to our chapter, our organization, our servicemembers/veterans, and ultimately, our country. They put in many hours of dedicated hard work – especially our Presidents. Please join me in expressing gratitude to our outgoing President, Clyde Meade, LCDR, USN (Ret) for his amazing work for our chapter these past two years. Thank you Clyde!

To those of you who have paid your 2026 Chapter Dues before the January 1<sup>st</sup> deadline, thank you! For those who have yet to renew your membership, please do so promptly. If you are unsure if you've paid through 2026, I will soon be emailing a new Membership Directory. Please check the last column of the row of your entry. It contains the year through which our records show that your dues are paid. Also, please check the information in your entry for accuracy and let me know if changes need to be made.

Currently, we are not set up to receive dues payments online through National MOAA, but are exploring that capability. As such, dues may be paid at the door during our luncheons or by sending a check to our PO Box. When paying your dues, please also consider making a donation to our scholarship fund. Your donations help us support our local ROTC and area Cadets. If you choose to include such a donation along with your annual dues payment, please note your donation amount in the Memo section of your check. Thank you for renewing your membership, and for your additional support. Your contributions are our primary source for making these awards possible.

Mail checks for dues and donations to:

NACMOAA

P.O. Box 95

Dewey, AZ 86327

(Make checks payable to: "NACMOAA").

Please RSVP soonest for our February membership luncheon. See elsewhere in this newsletter for details. Looking forward to seeing you there! Thank you!

As your Public Information Officer, I am continually looking for ways to let others know of our Chapter's activities and events and to locate prospective new members. Please invite any eligible prospective member to join our organization. We are gaining new members and want to make them feel appreciated and welcomed. If you see someone at our meetings that you don't recognize, please introduce yourself and welcome them to our NACMOAA family. Thank you.

## LEGISLATIVE AFFAIRS UPDATE

by COL (RET) Steve Woods, U.S. Army

### MOAA's Summer Advocacy in Action (AiA) Campaign

#### **Major Richard Star Act (S. 1032 / H.R. 2102)**

Combat-injured veterans deserve their full earned compensation, and this legislation reinforces our promise to support those who served – long after they've left active duty. The Star Act is an enduring priority for MOAA, and we are excited to report it has generated significant momentum since last spring. The benefits offered by the Major Richard Star Act are not new. Congress eliminated the retirement pay/disability pay offset more than two decades ago, yet lawmakers left out those forced to retire due to combat injuries. This bill simply ends this unfair exclusion.

This legislation would fix a long-standing injustice that affects combat-injured veterans who were medically retired before reaching 20 years of service. Right now, many of these veterans lose a portion of their earned retirement pay because of an outdated offset. The Star Act would allow them to receive both their full military retired pay and VA disability compensation—as they should.

The bill has strong bipartisan support, currently 372 Representatives and 27 Senators, but it will only move forward if members of Congress hear directly from constituents like us **ASAP**. Please visit MOAA's Legislative Action Center: <https://moaa.quorum.us/campaign/43784/> and send a personalized message to your U.S. Representative and Senators. Ask them to:

- Cosponsor and actively support the Major Richard Star Act (S. 1032 / H.R. 2102);
- Push for a floor vote or inclusion of the Star Act amendment in the National Defense Authorization Act this session. It's quick, easy, and extremely effective

#### **Arizona Legislative Action**

The Arizona Legislature returned to Phoenix in early January, and with it comes another important opportunity to support policies that strengthen the lives of our veterans, currently serving members, and their families.

The Arizona Council of Chapters will continue to work closely with the House Veterans Caucus, the Arizona Department of Veterans' Services, and the DoD State Liaison Office to develop a slate of veteran-centered bills for the upcoming session. Once that agenda is finalized, they will once again call upon us—MOAA's grassroots advocates—to help move these priorities forward. Council and Chapter Activity on the Legislative Action Center (LAC) I strongly urge members of the chapter to register in the MOA LAC even if you don't immediately want to submit an action. Our chapter's registration rate is tracked by MOAA headquarters but much more importantly, if you later want to submit an action in the future, it will be simple to do so because you will already be registered.

#### **Contact Your Congressional Members**

Your voice makes a difference! Reach out directly to your elected representatives: (As our chapter now covers three Arizona state legislative districts, please check your current voter registration card for your district)
